

Anti-Bullying Committee

At Presidium School, Noida-31, we are committed to fostering a safe and supportive environment for all students. The Anti-Bullying Committee is dedicated to preventing and addressing bullying in all its forms—whether verbal, physical, emotional, or cyberbullying. Our school operates on a Zero-tolerance policy toward bullying to ensure that every student can learn and grow in an atmosphere of respect and inclusion.

Our Goals:

1. Prevention: Educate students, staff, and parents about bullying, its effects, and how to prevent it through workshops, campaigns, and awareness programs.
2. Support: Provide resources and a safe space for students who experience bullying to report incidents and seek support.
3. Action: Investigate all reported bullying incidents promptly and enforce appropriate consequences to uphold our zero-tolerance policy.
4. Empowerment: Encourage bystanders to become upstanders, helping to create a culture of kindness and respect.

Zero Tolerance Policy:

- Any form of bullying will be taken seriously, with disciplinary actions including counseling, parental involvement, and other measures as needed.
- All students are encouraged to report bullying, either anonymously or in person, knowing that their concerns will be addressed without retaliation.
- The committee works closely with school administration, teachers, and counselors to handle each case with care and discretion.

Together, we can create a community where bullying has no place, and every student feels valued and safe.
